HTML | CSS | API | React.js

FEATURES

- Login-Signup
- Admin-Side
- Search functionality
- Sort functionality
- Add to Cart

Area of Responsibility

- Login-Signup
- Add to Cart
- Payment page

Professional Experience

I'm excited to bring my unique perspective and skills from the mechanical sector to the IT industry. While my background is in mechanical engineering, I've always had a passion for technology and have been actively pursuing IT certifications and projects to make this transition. I believe my problem-solving abilities and attention to detail from my mechanical experience will be assets as I embark on this new journey in the IT field.
